LOCATION

Peponi Hotel sits at the beginning of a 14 km stretch that is Shella beach, on the small island of Lamu, part of the Lamu archipelago.

HOTEL HISTORY

In 1967 Peponi was opened by the Korschen Family as a small 4 roomed guest house. Over the years it has grown into a boutique hotel and is still family run. Its iconic main building is synonymous with the beachfront of Shella, the village that, over the years, the hotel has organically grown with. On arrival at the hotel each guest is individually met and, if desired, a unique itinerary can be tailored for your stay.
